Wherever possible, all of our dishes and desserts are lovingly homemade and freshly prepared using locally sourced ingredients in our very small kitchen. Because of this, you may experience a slight delay during busy periods.

Many of our dishes can be adapted for any special dietary needs or food allergies. Please ask your server to discuss your requirements with our chef and we will make every effort to accommodate them. In addition, speak to your server about our gluten-free Wednesdays.

Please note: Our dishes may contain traces of nuts. Please inform us if you have a nut allergy.

Tips are shared between front-of-house and kitchen staff. These are discretionary and are not added to your bill except for groups of eight or more where a 10% service charge will be added.
